

1<sup>st</sup> November 2016

Dear Parents,

This letter is for parents of students who will be going into Pre-Primary, Year One or Year Two in 2017.

In previous years, students in these year levels have been given a list of stationery supplies and text books for parents to purchase. From next year stationery and text books will be ordered in bulk. This is in line with our Early Childhood Philosophy and the National Quality Standards for Early Years Education. Teachers will ensure all students are supplied with the appropriate stationery and individual text books as required. Parents will still be required to send in a few individual items for the children. Please see attached list.

There will be an increase in the Resources Levy for students in Pre Primary, Year One and Year Two. However, the increase in most cases, will only be about half the cost of the previous individual book lists. I am sure all parents will appreciate the savings. I thank you in advance for your support in this cost saving exercise which will ensure that teachers are able to provide the students with all necessary classroom consumables. We also hope this will take away some of the added end of year stresses for our parents in the early years.

Yours sincerely

Andrea Millar
