

Liwara Catholic School

General

Liwara Catholic School

Crest

Liwara,
an aboriginal word,
means
" community of people gathered together."

Our Mission

We gather as a community of believers in a Catholic environment to develop in each child a sense of wonder of learning.

Liwara educates children, with a central support of parents, to become faith filled, confident and fully rounded, life long learners.

Our Vision

Integrated faith and life development

We will create an environment in the Liwara community which enables children to experience the integration of Christian faith and life. We will foster the spiritual development of the children and their knowledge of, and participation in, our changing church and society.

Learning community

Liwara will continue to grow as a collaborative learning community where parents, teachers and children learn from each other and work together to continuously improve the learning of all involved in the education of its children.

Inclusive curriculum

We will actively pursue an innovative teaching and learning environment that is unique to Liwara. Child centred outcomes will cater for the needs of all children. Collaborative structures will be used to enhance the use of resources and technology in providing a stimulating, rich and diverse curriculum.

Liwara's culture

Liwara encourages open communication, and will continue to build on our strong sense of community by including and caring for everyone. A sense of belonging will permeate the school as we strive courageously to make a difference.

Collaborative leadership

Liwara will continue to value open, collaborative leadership where parents, children and staff are true partners. There will be a climate of trust, respect and innovation in our response to the rapidly changing world and its challenges.

LIWARA SCHOOL PRAYER

We pray to God so we can be
a loving Catholic community

With faith,
respect and trust each day
our school is a place
to learn and play

Our environment needs
our love and care
All Saints protect us everywhere

Bless us as our
community gathers
where every single person
matters

At Liwara we give thanks to You
Help us Lord in all we do.
Amen

This prayer was composed in collaboration with the school community
