

## **2010 Liwara P&F Little Tippers Footy Comp**

Hi Parents

The P&F will once again be running an AFL Footy Competition for the Students in years 4 to 6. Each year will have a separate competition and the idea is that it is a bit of fun with the ladder made up of just their peers.

The competition will be hosted on the footytips.com.au website. It is free to sign up.

There are prizes involved, with vouchers from a local sporting store to the value of \$50 for each year group. A voucher for \$25 being distributed for the leader after Round 11 and another \$25 voucher for the leader after Round 22.

The tips will need to be entered from your computer at home only and the computer resources within the school are not to be used for this purpose.

You can access the ladder after the round is played on the footytips.com.au website.

If it's ok for your child(ren) to participate, please complete the form, SIGN it and return it by email (with this signed form attached) to [liwarafooty@optusnet.com.au](mailto:liwarafooty@optusnet.com.au)

Alternatively, deposit it within an envelope marked "P&F Little Tippers comp" in the Admin Office P&F box.

Please note – Your child can't participate without a signed returned form.

I will then send out an invite to your nominated email address below **SO PLEASE INCLUDE YOUR EMAIL.**

*This comp is not intended to replace the Annual P&F Footy Tipping comp which will still be running and I hope you continue to support.*

### General Rules

It is your child's responsibility to lodge their tips (they will get the default tips allocated by footytips.com.au if they forget).

Please ensure that your child also keeps their password secure as I wouldn't want to see any illegal hacking taking place.

The site rules can be accessed on the Tipping tab then click How to Play link within the footytips.com.au website.

ABOVE ALL, THE INTENTION IS THAT IT WILL BE FUN FOR ALL CONCERNED.
