PROCEDURES TO ADDRESS BULLYING AND HARASSMENT

We believe that everyone has the right to feel safe and happy at Liwara Catholic Primary School.

Definition

Bullying is an ongoing form of aggressive behaviour which is usually hurtful, threatening, frightening and deliberate.

It can be:

- Verbal – name calling, teasing, swearing, racist remarks, and extortion
- Physical – pushing, punching, spitting, rude gestures
- Indirect – rumours, exclusion from groups
- Cyber – SMS, emails, chat rooms, Facebook, YouTube

A victim is a person or group that feels unsafe as a result of the behaviour of others and who does not have the resources, status, skill or ability to counteract or stop the behaviour.

Students are Encouraged To:

- Tell a staff member of any incidents of bullying or harassment.
- Express disapproval towards bullying behaviours.
- Walk away and get help when a bullying incident is occurring rather than stand-by.
- Be aware of teasing or personal remarks.
- Give support to students who may be being bullied.

Teachers Will:

- Take bullying seriously.
- Support students who are being bullied.
- Reinforce to children that nothing is so awful we can’t talk about it with someone.
- Explicitly teach, as part of the school curriculum, what bullying is. Elicit assertive practices for students who are being bullied and ways that students can help to stop bullying.
- Address bullying behaviours at the time of an incident by using the support group approach to bullying.
- Refer information about any bullying incidents to the Administration Team.
- Support identified bullies to change their behaviour in the classroom and school grounds.

The Administration Team Will:

- Take bullying seriously.
- Make debriefing sessions available to any staff member affected by negative student behaviour.
- Make professional development available to any teaching staff member who is experiencing difficulties in managing student behaviour.
- Refer families to the School Social Worker and/or NGSPS CEWA School Psychologist, where appropriate.
**Parents Should:**

- Watch for signs of stress and/or distress in their children, including an unwillingness to attend school, onset of headaches, stomach aches or bruising, toys or equipment going missing, requests for extra pocket money or damaged clothing or books.
- Request an interview with the child’s teacher and/or member of the Leadership Team if they suspect their child is being bullied or is bullying others.

**Steps in the Method of Support Group Approach:**

- Teacher receives information about the incident/s or makes the observation.
- Consult with relevant teachers.
- Meet with the student who has asked for help or been identified.
- If incident is isolated, friendship strategies are discussed and conflict resolution meetings are facilitated. Referral to the Behaviour Management Policy.
- If bullying is identified, advise the Leadership Team.
- Meet with the group of students identified as being involved in the incident. Communicate feelings of student who asked for help or was identified. Elicit suggestions to improve peer relationships.
- Overview of all steps to be added to the student's Pastoral Care notes in SEQTA.
- Notify all parents.
- Arrange follow up meeting, one week after initial meeting, with each individual to determine whether changes in behaviour have been made.
- After follow-up meeting, no further action is required unless there is no resolution. Further action may include referral to School Social Worker or Family and Children’s Services.
